

A NOTE FROM NORTHRIDGE CHURCH

July 2010

July Newsletter

Thanks so much for all those that helped clean up, sort, pack up and move our belongings from the storage area we had at Thomas Haney. Special thanks to the Odell's for coming through with storage for us. We also have acquired two new trucks. Thank you to all of you that helped in the purchase, clean up, delivering them, alarming etc. The set up crews are very excited as the set up is now so much smoother and faster. If you would like to sign up for the set up crew contact Steve Kater at skater@nrchurch.ca or info@nrchurch.ca. Again a big thank you to all of you!

Bulletin: During the summer months after this sunday there will be only 1 bulletin printed per July and August.

When the music

plays....Just a reminder that on Sunday mornings when the worship team begins playing that we all quickly end conversations and find our seats.

Lets support our worship team as they lead us in worship each Sunday.

.Missed the Sermon?

You can listen to the sermon on our website www.nrchurch.ca under "coolstuff". This is great for those of us that teach the kids or are on nursery duty!

Home Groups

In the fall we hope to have some home groups plus Alpha and Beta. If you are interested in hosting a group in your home or leading a group contact Dave at dbuzza@nrchurch.ca or Jan at info@nrchurch.ca.
